Emotions Revealed "No one in the world has studied facial expressions as deeply as Paul Ekman. In Emotions Revealed he presents—clearly, vividly, and in the most accessible way—his fascinating observations about the overt or covert expressions of emotions we all encounter hundreds of times daily, but so often misunderstand or fail to see.

Emotions Revealed - WordPress.com

These emotional responses are an unbidden occurrence, meaning that we don't choose to feel them, they just happen to us automatically. Of all the human emotions we experience, there are seven universal emotions that we all feel, transcending language, regional, cultural, and ethnic differences. Each of the universal emotions has distinctive signals, physiologies and timelines.
