Perfect Chemistry Series by Simone Elkeles

Perfect Chemistry by Simone Elkeles, was a real mixed bag for me. It has great reviews all over the place, the ever popular young adult romance characters-two beautiful people from different sides of the tracts bridging the gap of teenage social cliques who in the end really "get each" even though no one understands, all in a modern day setting we can supposedly relate to.

Perfect Chemistry is the first novel in the trilogy written by author Simone Elkeles and published by Walker Books for Young Readers in 2009 and also made it on The New York Times Best Seller list. Perfect Chemistry is a part of the Young Adult genre because of the steamy high school romance Elkeles portrays in the novel. The main characters of the story Brittany Ellis, a white uptown teenager, and Alejandro "Alex" Fuentes, a lower class teenager of Mexican heritage must overcome Brittany's trou
