this step is to verify that the message is as best possible to portray your idea or project in order to help your audience. When rereading your message judge it objectively and do not close your mind to improvements.

3 Step Process To Creating A Persuasive Message

Read PDF Persuasive Messages The Process Of Influence

Persuasion is a process, not an event. Shared solutions are rarely reached on the first try. More often than not, persuasion involves listening to people, testing a position, developing a new position that reflects input from the group, more testing incorporating compromises, and then trying again.
