Part of my research for this book focussed on finding voices of people who had come through Pier 21 as children or teenagers. I felt their stories would be of greater interest to young readers, as they could more easily relate to the experiences of children their own age.

Pier 21: Stories from Near and Far - ANNE RENAUD

Located in Halifax Harbour, Pier 21 was the first part of Canada visited by immigrants travelling from the East, and the last view of home for Canadians departing for Europe. To all Canadians, it was an iconic landmark that stood for something more than itself during a period of turmoil and change.
