New Prosperity Gold-Copper Mine Project - Canada.ca

A Vancouver based mining company, Taseko Mines Ltd., has applied to mine at Fish Lake. The proposed mine, which is called "Prosperity Mine" by Taseko, would completely destroy Fish Lake, a fish bearing lake in the Chilcotin. This lake has an estimated 85,000 rainbow trout of which around 4,500-5,000 are caught annually.

Prosperity Project - Fish Lake

New Prosperity is a project that holds the potential to dramatically increase shareholder value and improve the economic well-being of local communities. Development of this large-scale deposit would be a major step towards transforming Taseko into a strongly positioned mid-tier mining company.
