Replay XD1080 / XD720 HD Cameras. I first learned about the Replay XD cameras at last year's NAB Expo when my friend and colleague (and co-presenter of the POV Mini-Cam workshop) Douglas Spotted Eagle shared them with the crowd. Their form factor was amazing and so was some of the sample footage he shared, so I was intrigued.

Action Cameras by Jeff Foster ...

The manual isn't correct with regard to connecting the camera to a Mac with the SD card still inserted - there is correct advice on the Replay website, but the manual should be right ! 2. The FAQ re adjusting the setting via the .txt file on the SD card weren't helpful either - the answer, again, is on the website but takes a bit of digging it ...
