Retreats That Work: Everything You Need to Know About ...

The goal of a work retreat is to spend time brainstorming, working on a project, or coming up with a company roadmap. The design of your work retreat depends on the type of business you have and your goals: Start-up companies often organize hackathons. Virtual teams and remote companies work on projects for which they need to be in the same room.

Unsettled's Lifestyle Incubator is the world's first virtual retreat that gives you the time, space, tools, and community to navigate your biggest career and lifestyle questions with intention and clarity.

Unsettled Virtual Retreat | Design Your Career For Meaning

Work retreats are a rare time when spontaneous moments arise and hilarious memories form. The major reason we retreat is to spend quality time together in a beautiful environment. It's all too easy in a remote company to stay heads down in our work, so we make a point to schedule plenty of fun time together, too. 1. Get everyone hyped ahead ...
