To Your Scattered Bodies Go/The Fabulous Riverboat

Riverworld is a fictional planet and the setting for a series of science fiction books written by Philip José Farmer (1918–2009). Riverworld is an artificial "Super-Earth" environment where all humans (and pre-humans) are reconstructed. The books explore interactions of individuals from many different cultures and time periods. Its underlying theme is quasi-religious.

This is the first book of the Riverworld series, which is one of those great, memorable ideas that people talk about and refer to when reading other books. Everyone who has ever lived is resurrected on the banks of a huge river, all at the same time, naked and with their own personal magic devices that give them food and other basic necessities.

Review: To Your Scattered Bodies Go by Philip José Farmer

I've read and re-read the "main" four titles in the Riverworld series ("To Your Scattered Body Goes", "The Fabulous Riverboat", "The Dark Design" and, last but not least, "The Magic Labyrinth") a couple of times down the years, and was always fascinated by the clean, crisp story and, more to the point, how it gets to where it's going (I'll not give any hints, so as not to spoil what happens next).
