Contentment is the cultivation of a satisfied heart. It is the discipline of being fully alive to God and to others whatever our material circumstances. Contentment is not achieved through getting everything we want but by training the heart to experience full joy and deep peace even when we don't have what we want. Cradle to Grave

Satisfied Study Guide with DVD: Discovering Contentment in ...

In his book Satisfied: Discovering Contentment in a World of Consumption, Jeff Manion strives to provide biblical direction for living a deep spiritual life in a shallow, materialistic culture. He draws on six Scripture passages, examining how the original audience received them, and then shows how that message can transform how we view our stuff.

It's subtitle, Discovering Contentment in a World of Consumption, does give you an idea of what the book is about; but Satisfied is much more than just another Christian book on finances, tithing, generosity, the effects of greed, budgeting, and so on. It's not like any other book I've read on the topic of what followers of Christ do with their money.

Utilitarianism is a family of normative ethical theories that prescribe actions that maximize happiness and well-being for all affected individuals. Although different varieties of utilitarianism admit different characterizations, the basic idea behind all of them is to in some sense maximize utility, which is often defined in terms of well-being or related concepts.
