Domestic violence and Emotional abuse can be defined as behaviors used by one person in a relationship to control another. This is both a national and world wide problem. According to a 2000 UNICEF study, up to half the female population of the world becomes the victims of domestic violence. It claims four lives every day in the United States ...

Sociological Imagination Concept as it Relates to Domestic ...

As the contributors to this volume demonstrate, what we have come to regard as acts of terror -- whether politically motivated, or state-sanctioned -- have assumed many different forms and provoked widely differing responses throughout the world. At a deeper level, the contributors explore the work of the imagination in extreme contexts of danger, such as those of terror and

exacerbated by a series of acts of violence and terror committed by Muslim groups and individuals themselves in the US, Europe, Africa and Asia. The association of terrorism with Muslims and Islam in the public imagination in the West has now spread to other parts of the world and constitutes a formidable barrier to inter-civilizational dialogue between Muslims and the rest.

Trump, Public Imagination, and Islamophobia | global-e

We can only diminish violence in our communities by transforming the conditions that lead to violence. Imagine reallocating the \$665-million annual budget that the City of Montreal spends on policing to fund measures that ensure people have access to safe housing, living wages, mental health care, education and food security.
