Texas is blessed with great geographic and cultural diversity. The state's deserts, mountains, beaches, lakes, forests, canyons and plains provide opportunities for endless exploration. On our travel page, you can find travel articles from the magazine, travel videos and other travel resources.

TPW magazine | Travel

Last Tuesday, I asked the Texas Parks & Wildlife Department about this, and below is the reply I received. "Under State Management that was established by the Council (and approved by NMFS in February 2020), Texas can open and close federal waters as long as we stay within our allocation (for 2020 the TX allocation is 265,105 lbs).
