Here is an updated version of the sdomain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Art Book For Children

The Art Book for Children has the potential to be one of those books your kids enjoy as children and remember in adulthood. It also has the potential to be a book children and parents bond over while developing an appreciation art for. It's a bit of a Wheres Waldo of art. The artworks are beautifully reproduced, the accompanying stories engaging.
