It had a lot to live up to with The Gentleman's Guide To Vice And Virtue being like one of my all time favourite books...and ok, sure, it didn't quite live up to it (for reasons I'll mention later) but I still had a marvellous good time reading this. The 3 featured women were the actual best ever. And the ending just was !!!

“The war of the sexes is historical, and methods of creating peace are plentiful, but few work well. In *The Women's Guide to How Men Think*, the author, a man, offers women a code to male thinking that could bring an end to this war, if embraced. Readable, practical, and wise, I recommend this book
