If you can use stories in your presentation, your audience is more likely to engage and to remember your points afterwards. It is a good idea to start with a story, but there is a wider point too: you need your presentation to act like a story. Think about what story you are trying to tell your audience, and create your presentation to tell it.

The Complete Guide to Using PowerPoint Presenter View in Teams - 1 or 2 screens, Windows or Mac. One of the common ways to remember what you want to say or emphasize on a slide is to add speaking notes in the Notes section below a slide in PowerPoint. Then you can use the Presenter View mode to show you the slides and your notes while the audience only sees the slides.
