The Completion Process is an Emotional Integration Process which enables you to feel suppressed emotions, to claim & integrate qualities back into your life. It is a process which supports you in depression, isolation, loneliness when you are stuck or turning in the hamster wheel.

### Completion Process Practitioner - Christine Dürschner

Not only does the Completion Process aid in healing individual trauma but also - revolutionizing society at large. The space we set and quality of people present allows walls to come down and inner children to come out. Unlike traditional schooling or courses the training is not simply an observational experience.
