The Honey Farm

The honey farm on the hill was my first book by Jo Thomas and will not be the last. It was also my first chick-lit book after a long break from the genre. This is a book about first loves and moving on. What I really loved about this book was just how quickly I was drawn in and how I really felt included.

When adding bees, first take the time to learn how to start a honey bee farm because it deserves some unique considerations. Just as when adding any animal to the farm, being prepared before the bees come home, will help you be successful. Bees will require water, sun, a sturdy hive, and during some parts of the year, they may require feeding.
