The Illness Narratives: Suffering, Healing, And The Human ...

Writing of "suffering, healing and the human condition," the author observes the dichotomy between technological advances in medicine and the actual treatment of the ill, handicapped and dying. Profoundly moving reports illuminate the deprived lives of social outcasts, shunned and stigmatized, whose needs are not met by the medical community.

From Kleinman's book, The Illness Narratives: Suffering, Healing and the Human Condition, makes it clear that experiences of illness can be told through personal narratives.

Analysis Of The Illness Narrative - 994 Words | Cram

A Rer his deployment in Iraq, U.S. Marine Captain Tyler Boudreau returned home in 2004 with post-traumatic stress syndrome and an emotional war wound that experts now call a "moral injury." He could only sleep for an hour or two at night. He refused to take showers or leave the house for long periods of time. He and his wife divorced.
