Working at The Solution Lab | Glassdoor

Helping our clients climb mountains. The Solution Lab specializes in healthcare and life sciences consulting. We have successfully problem solved for a diverse set of companies, including top ten pharma firms, biotechs, seed-funded health tech startups and patient advocacy organizations.

Consulting | The Solution Lab

The Solution lab was a solid volunteering opportunity to learn firsthand how consulting works, and to learn how to think about science from a business perspective. While this initially can be challenging coming from an advanced degree science background, the projects and work provide a good introduction to how consults work and think.

The Solution Lab Reviews | Glassdoor

"At Diagnostic Solutions Laboratory, we're not content with the range of clinical testing currently available to practitioners. We believe that every patient should achieve optimal health, and we're driven to give clinicians the tools to do so. Our mission, therefore, is to use our resources to bring the most advanced, innovative, and ...
