Book Review: Unclaimed Experience by Cathy Caruth | Mboten

— Cathy Caruth, *Unclaimed Experience: Trauma, Narrative and History* “As modern neurobiologists point out, the repetition of the traumatic experience in the flashbacks can be itself re-traumatizing; if not life-threatening, it is at least threatening to the chemical structure of the brain and can ultimately lead to deterioration.

Unclaimed Experience Quotes by Cathy Caruth

Trauma is a condition very closely related to our ability to tell stories about our lives and about how our most difficult experiences fit into those lives and into our wider communities. This association has been recognised since the time of Freud but
