Today, reading Video Night in Kathmandu, written in early mid-80s, is an interesting exercise. This travel narrative is an echo from a time when the geopolitical theatre was playing a decidedly different movie: China hasn't entered the WTO yet, Hong Kong was still the crown jewel of the British Empire, USSR was still alive and kicking, and Rambo and Madonna were at the zenith of Pax ...

Pico Iyer's Video Night in Kathmandu: The enduring ...

With the lightness of touch that made Video Night in Kathmandu so captivating, Pico Iyer fashions from their relationship a marvelously ironic yet heartfelt book that is at once a portrait of cross-cultural infatuation -- and misunderstanding -- and a delightfully fresh way of seeing both the old Japan and the very new.

Re: Video Night In Kathmandu I found it very uneven. He posits the book as some form of postmodern inquiry into the nature and effects of globalisation, and accepts that globalisation - and the relationship between the global and the local - work both ways but I think he fails to answer one of his initial questions,'how America was regarded and constituted abroad'.
