What Does It All Mean

Conspiracy theory also overcomes the strictures of literalism and the problems of simplistic thinking by experimenting with multiplicity of meaning. Ordinary events, people and signs become symbols bristling with complex, malleable, even contradictory meanings. Mystery is revived and idealized. Facts become more than the sum of their parts.

The question "What does it all mean?" pops up when given sources of meaning no longer feel relevant. For many the problem never arises, they remain content with the life purpose laid out for them by the society in which they find themselves. But for those who come to feel these mores are lacking the [...]

What Does It All Mean? - Evolution Counseling

WHAT DOES IT ALL MEAN? was forwarded to me by my daughter while she was attending college. She read it as part of her philosophy course syllabus. At first I thought it too slim of a volume to have substantial philosophical merit. How can the meaning of existence be even broached in one hundred pages? But Thomas Nagel has done just that.
