What Every Horse Should Know: Respect, Patience, and ...

A horse is a horse, of course, but a happy and healthy horse requires tender love and care in the form of food, water, shelter, space to roam and more. Majestic, powerful and sleek animals, a horse is an uplifting experience for an owner but it is a constant responsibility. Basic horse care covers a lot of ground, but many horse lovers begin their lifelong journey with grooming.

Horse Owning and Care Basics for the Beginner

Horses are Wonderful Already. "Wild horses know everything they need to survive. They are complete. It's when we domesticate a horse and bring him into our world that he needs to learn new things in order to adapt. As we develop a partnership with him, it is best to preserve those things that make a horse a horse. That way, there are no losers -- both human and horse emerge winners.
