In Why We Love Dogs, Eat Pigs, and Wear Cows Joy investigates factory farming, exposing how cruelly the animals are treated, the hazards that meatpacking workers face, and the environmental impact of raising 10 billion animals for food each year. Controversial and challenging, this book will change the way you think about food forever. ...

**Why We Love Dogs, Eat Pigs, and Wear Cows: An Introduction ...**  
In Why We Love Dogs is a slim, efficient book, but it delves deep into our psychological processes and the outside systems that work together to create the schism between what we feel ("I love animals") and what we do (consume them). With several new, thought-provoking concepts brought to the table, Dr. Joy does what the best authors make us do: she helps to unsettle our mental dust and prompts us to think with more depth, honesty and clarity.
