Using the Avaya Console for WLAN 9100 Series Release 7.0.0 NN47252-106 Issue 01.01 June 2014

Using the Avaya Console for WLAN 9100 Series

I have used the 9100 wireless and have deployed hundreds of APs, if not thousands. It is certainly better than 8100 and 2300. Software is still pretty young and may encounter bugs as Avaya adds their intellectual property to the Xirrus firmware. Other than that, there is no difference between Xirrus and Avaya currently. Decent product.
