S.L.A. Marshall

SLA Marshall, a former one-star general in the US Army, has written a meticulously researched yet readable book covering virtually all of the major operations of WW1. He combats the concept that all generals of the war were incompetent "donkeys" by analyzing every offensive's goals and planning. He considers each

S.L.A. "Slam" Marshall was a veteran of World War I and a combat historian during World War II. He startled the military and civilian world in 1947 by announcing that, in an average infantry company, no more than one in four soldiers actually fired their weapons while in contact with the enemy. His contention

9 quotes from S.L.A.

Read Free World War I Sla Marshall

Marshall:

'Fundamentally only two great novelties have come out of recent warfare. They are: (1) mechanical vehicles, which relieve the Soldier of equipment hitherto carried by him; (2) air supply, which relieves the vehicle of the road.', 'The bayonet is not a chemical agent the mere possession of it will not make men one whit more intrepid
