Your Self Confident Baby
Her successful parenting approach harnesses the power of this basic fact: Your baby is unique and will grow in confidence if allowed to develop at his or her own pace. The key to successful parenting is learning to observe your child and to trust him or her to be an initiator, an explorer, a self-learner with an individual style of problem solving and mastery.

Your Self-Confident Baby: How to Encourage Your Child's ...
Your Self-Confident Baby is not a good book for new parents. It has too many personal opinions and philosophies hiding under the guise of "best-practices" and "expert advice" that you should avoid it at all costs. This is especially true if you do not have first-hand experience with children and can weigh the "crazy" with the "reasonable."
