Hey guys, I am going to be purchasing a 2000 audi a4 1.8t. It has 94,000 miles and it probably going to need a clutch pretty soon. I was wondering what an average cost for the clutch to be done at a shop would be? I know when i had my 1993 300zx clutch done it was \$600. So i mean anyone who can give me a ball park price it would be greatly appreciated.
