It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

## 2008 Acura TL Brake Caliper

2008 Acura TL - Brake Caliper. The brake caliper is the hydraulic component of the disc brake system. Brake calipers compress the brake pads on the rotor surface to stop your vehicle. Over time, brake calipers may develop leaks or the piston inside the caliper may stick.
