It's easy to search Wikibooks by topic,

## Download Ebook A Husbands Regret Unwanted 2 Natasha Anders

and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Deadly Women is an American true-life crime documentary-style television series that first aired in 2005 on the Discovery Channel, focusing on female killers. It was originally based on a 52-minute-long TV documentary film called "Poisonous Women," which was released in 2003. Two years after, in 2005, it inspired a mini-series consisting of three episodes: "Obsession," "Greed" and "Revenge."
