important information about your ideal target market. And, of course, age is one of the most significant factors to consider.

## **Marketing to the Right Age Demographic: Important Points ...**

You know, marketing nuts who are similar in age, education and, obviously sense of humor, to me: workaholic woman, college educated, 46 years old. So if we take a peek at the age demographic data, my best social media response would come from WordPress (my blog), Pinterest, Facebook, and LinkedIn.

## **Customer Demographics - Age Demographics for Advertising**

Age is a very common method of segmenting audiences but there are many others; having a clear understanding of your target audience is the first step when creating content. Each age group can vary so by segmenting data even further you can continue to improve your results.

## **What Marketing Content Do Different Age Groups like to ...**

The spirit of solidarity is alive and well in the age of COVID-19. As such, the key to sustainable business success during the pandemic lies in practical, community-driven local marketing campaigns.

## **How to Approach Your Local Marketing Activities in the Age ...**

For instance, if 2 people in different demographics (age range, city, or both) show similar behavior and mindsets which resonates with a certain campaign, an audience marketing-driven company would include them in the targeting, and not discard them based on their age alone. Important Characteristics for Audience Marketing
