But if you're traveling by train without the luxury of a sleeper compartment, and you need to wake up in time to get breakfast in the dining car, you'd do better with a quiet watch alarm than a loud digital clock. Then, there are certain area-specific features, like 24-hour time and climate information.

Top 8 Atomic Travel Clocks of 2020 | Video Review

The beauty of Brookstone digital desk clocks is that they are high functioning without causing consumers with a ton of issues. If you're looking for a relatively easy-to-use apparatus, this clock will solve all of your problems. All you have to do is follow the instructions.
