Raymond Paternoster's Capital Punishment in America (Lexington Books/ Macmillan) is a thoroughly researched introduction to the subject, but though it was published only two years ago, it is already somewhat out of date: Recent court decisions designed to "unclog" the Federal courts have made it even easier to put convicts to death, public attitudes have hardened, and the Clinton ...

Capital Punishment in America. - Free Online Library

The death penalty in America is a broken process from start to finish. Death sentences are predicted not by the heinousness of the crime but by the poor quality of the defense lawyers, the race of the accused or the victim, and the county and state in which the crime occurred. From 1976 to 2015, 1,392 executions occurred in the United States, and 995 of them took place in the South. Time and ...

Capital Punishment | American Civil Liberties Union

This week, the United States will execute its first death row inmates in nearly two decades, when three men who were individually convicted of crimes against children and the elderly are put to death. The United States remains the only Western country that still uses capital punishment — and it carries strong support: About two-thirds of Americans (65%) support the death penalty “for the ...
