City: A Story of Roman Planning and Construction: Macaulay ...

In City, David Macaulay introduces readers to the fascinating world of Ancient Roman architecture and engineering, combining straightforward text and black and white illustrations to tell the story of a city's creation. While the Roman city of Verbonia is imaginary, its planning and construction are based on those of the hundreds of Roman cities founded between 300 B.C. and 150 A.D.

City: A Story of Roman Planning and Construction - Kindle ...

Macaulay creates a fictional city to give definition to Roman building techniques and practices. The story is sparse, but helps to lighten up the non-fiction material presented, and does give some insight into why certain structures were built and at what time in a city's development.
