Clear and Simple As The Truth

"Clear and Simple As The Truth" is a book that explores the concept of clear and simple writing techniques. The book is structured in a way that makes it easy for readers to understand and apply the principles discussed. The author, Francis-Noël Thomas, presents writing as an intellectual activity, not just a passive application of verbal skills. The book aims to guide readers to consider style not as an elegant accessory of effective prose but as its very heart. By focusing on the alignment of language with truth, the book seeks to achieve clarity and simplicity in writing. Clear and Simple As The Truth provides a range of tips and strategies for achieving clear and simple writing, making it a valuable resource for anyone looking to improve their writing skills.
