### Concepts and Practice of Humanitarian Medicine | JAMA ...

Book Description. The field of humanitarianism is characterised by profound uncertainty, by a constant need to respond to the unpredictable, and by concepts and practices that often defy simple or straightforward explanation. Humanitarians often find themselves not just engaged in the pursuit of effective action, but also in a quest for meaning. That is the starting point for this book.

### Humanitarianism: A Dictionary of Concepts - 1st Edition ...

The impact of conceptual variation on humanitarian practice is not well understood. We have indirect clues that conceptual fuzziness may have an impact on inter-organizational trust, on the effectiveness of humanitarian strategies, and on the perception of the humanitarian community by local, national, and international actors.
