Dodge Neon (2001) - pictures, information & specs

2001 dodge neon. Solid red light on upper right of dash. Died on road. Manual transmission tried to pull start it didn't work. Turn key and the engine won't crank. Power to all interior lights and radio and exterior lights. I believe its a security system deal because I didn't know the key was chipped and I bought a spare from walmart and tried to use that and it would just die.
