Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks.

Fowler First Certificate Answer

As a computer technician, my clients frequently ask me “Why do people create computer viruses?”, especially after I have been called out to remove a virus from their computer.This is what I tell them. There are hundreds of thousands of viruses out there (if not millions) and they often designed for different objectives.

Why do People Create Computer Viruses? - Technibble
