As far as for pet stains, I think you either have to use more cleaning solution than what is recommended in the directions or substitute a more powerful cleaning solution (like Nature's Miracle, Genesis, etc.). One other thing to note is that when I was done cleaning, a ton of dog hair and carpet lint got trapped in the handle.

Once the timer starts you MUST stay alert so you can immediately do a manual release as soon as the 2 minutes of cook time are completed. Failure to do a manual pressure release and allowing it to release by itself will result in over cooking. Once cooked immediately remove shrimp from the pot and the broth or it will continue to cook the shrimp.
