Genghis Khan and the Making of the Modern World by Jack ...

Genghis Khan had a huge role in history and there is rather a dearth of information on him, considering the massive scale of the Mongol Empire he created. At its peak, it ran from the Pacific in the East to the Mediterranean in the West, bigger than the Roman Empire and that carved by Alexander the Great.

Genghis Khan and the Making of the Modern World ...

Genghis Khan had been a reject among his people and had been persecuted by rival lineages. When he achieved power he established the rule of law, which applied equally to everyone, and to himself. This policy allowed him to amalgamate the various defeated clans into one nation, while destroying the traditional power of the 'white-bone' lineages that had oppressed the people.
