Hotmail Directory Search Engine

The best email search sites and address directories allow you to easily find the information you are looking to obtain. They can give you access to phone numbers, addresses, emails, social media, and more belonging to an individual.

The 20 Best Email Search Sites and Address Directories of 2020

Hotmail directories can refer to one of two possible search venues—each being just as valid in your search for the provider address. These two venues refer to: first, the actual account provider search and second, the wide range of sites that offer provider specific searches at their email search directories.

Hotmail Email Directory Search. Resource for Online ...

Like some email providers, Hotmail has its own directory. A directory is much like a phone book that you would have in your home. It has a list of the users' names, and the emails that go along with them, put together in one convenient place, making it much easier to conduct a MSN member search in order to find someone who uses a Hotmail account.
