How to Rebuild Your Small-Block Mopar: Amazon.com: Books

Was torn between 3 and 4 stars. I have used an earlier version of this book to rebuild a few small block chevy's - it's the ultimate rebuild book for the older motors. The problem is it hasn't been updated for the one-piece rear seal or roller cam & lifter installation. However, there isn't much available that is any better. So I settled on 4 ...
