John Rawls - Wikipedia

The literature cited makes clear that the politics of criminal justice reform is fraught with structural, political, and policy-related challenges. Despite these challenges, a new set of less punitive laws, regulations, and criminal justice programs—each in its own way designed to decrease the number of incarcerated persons—are spreading across governments around the country.

The single most sensitive issue facing Cambodia today concerns the question of accountability for the crimes committed by the Khmer Rouge regime. The matter of genocide justice in the country is not merely a legal or political question, but also personal. Public opinion surveys suggest that the overwhelming majority of Cambodians want the Khmer Rouge leadership to be prosecuted for their crimes.
