The Kawasaki 454 LTD is a motorcycle produced from 1985 to 1990, also known as the EN450. It is the forerunner of the Kawasaki Vulcan. The engine was a precise copy of the Kawasaki Ninja 900s, with two fewer cylinders. The Kawasaki 900 had a 908 cc engine. Removing two cylinders from the 4-cylinder divided the number of cc's by two.

1985 KAWASAKI 454 LTD This  
motorcycle is very clean and has 8056  
miles on it. In 2008 my employee left it  
in my garage and borrowed some money  
to go back to south America to visit his  
family. Unfortunately, he never made it  
back to USA. So, it is in my garage since  
2008.

1985 Kawasaki Ltd , Up for sale is a 1985 Kawasaki LTD 454. I bought the bike last spring for a summer commuter. I bought it with about 12,000 miles on it and it currently has 18,700. I had absolutely no issues with it. It has a slight bog when you hit the gas hard. The carbonators need a cleaning but worked just fine for what I used it for.
