Learning JavaScript book by Shelley Powers

Like so many programmers, I held a strong prejudice against JavaScript up until about 2012. To do such an about-face still feels a little disorienting. My prejudice was for the usual reasons: I considered JavaScript a "toy" language (without really learning it properly, and therefore not knowing of what I spoke) that

Learning JavaScript - holla.cz

Shelley Powers is an American author, web developer and technology architect. She works with and writes about open source, LAMP technologies and web service development, CSS/XHTML design, web graphics and the use of these technologies in the semantic web. For her work as an author and her long-running tech weblog Burningbird, Powers was called "one of the more visible women in technology" by ...
