Museums in Motion: An Introduction to the History and ...

The revised edition of Museums in Motion will extend the useful life of an invaluable text for decades. Shining through the original text was respect for museums of the past, as well as insights about how they have shaped us, as museum workers, and our institutions.

Amazon.com: Museums in Motion: An Introduction to the ...

The new Museums in Motion remains the single best book about museums, a terrific introduction for. I will admit to reading this book with a feeling of trepidation. The first edition, published in 1979, is a classic in the museum studies literature, and by far the best single book about museums ever written. Although the original was outdated, there is always a huge risk when you mess with a classic.
