The plot of this book is deceptively simple. A young girl's beloved and eccentric grandmother dies, leaving the girl letters to deliver to others - to send her regards and apologies. The meat of the story lies in what the grandmother apologises for, and what the girl learns about people she only thought she knew.

### Mind Picker: My Grandmother Sends Her Regards and Apologises

My Grandmother Sends Her Regards and Apologises is a little hard to get into: Told from the perspective of Ulricha (a seven-almost-eight-year-old girl with a complicated homelife and no friends), we meet her granny (the type of old woman who would break into the zoo's monkey enclosure in the middle of the night and fling poop at the cops when they show up) and soon learn that Granny has made up a complex world of fairy tales for her granddaughter (complete with a secret language), and as the ...
