New Religious Movements In The

A new religious

Download Ebook New Religious Movements In The

movement (NRM) is a religious, ethical, or spiritual group or community with practices of relatively modern origins. NRMs may be novel in origin or they may exist on the fringes of a wider religion, in which case they will be distinct from pre-existing denominations. Academics identify a variety of characteristics which they employ in categorizing groups as

But around the late 1960s the term "new religious movement" (NRM) started to be used to describe a special subject of study within the scholarly community of North America and Western Europe. It referred to two types of "new" religions: first, as in *The New Religions* (1970) by Jacob Needleman, it covered
