Retouch and correct photos. In Adobe Photoshop Elements, use a variety of tools to retouch or correct your photos.

Photoshop Elements User Guide - Adobe Inc.

Touch support seems to vary between touch devices. You can paint with some touch devices with you finger if you can use your finger like a mouse. That means you need to be able to use something as a left mouse button you can hold down to flow paint. For example on my Wacom Intuos Pro I can set an express key as a left mouse click button.
