Management Lite

The fundamental goal of project management is to produce the desired results, on time and on budget. Let Just Enough Project

Management show you how to get back to that goal and manage projects that successfully transform your objectives into immediate bottom-line results, instead of simply creating more projects.

In creating Project Management LITE the HSE kept to the forefront the reasons why projects fail and kept communicating this message. Only with an ongoing consistent message can one start to change the culture. There are many reasons why projects fail but using the 80/20 rule the most common reasons can be grouped as follows:
