INSTALLATION INSTRUCTIONS - FREESTANDING GAS RANGE

When installing an “over range” Samsung Microwave you must have between 30 and 36 inches of space between the cabinets over your stove. Without this space, your microwave oven will not bolt into place. Samsung microwaves can vent to the outside like your existing range hood does, or it can vent back into the room.

How to Install a Samsung Microwave | Hunker

The owner’s manual has instructions for using and caring for your model, to help it work its best and to extend its life. The owner’s manual also has troubleshooting tips for common problems, to save you from having to call for service. If your model has an installation guide, the results will include it.
